**CALIFORNIA DISABLED VETERAN BUSINESS ENTERPRISE (DVBE)
BID INCENTIVE INSTRUCTIONS
(09/03/09)**

Please read the instructions carefully before you begin.

AUTHORITY - The Disabled Veteran Business Enterprise (DVBE) Participation Goal Program for State contracts is established in Public Contract Code (PCC), §10115 et seq., Military and Veterans Code (MVC), §999 et seq., and California Code of Regulations (CCR), Title 2, §1896.60 et seq. **Recent legislation has modified the program significantly in that a bidder may no longer demonstrate compliance with program requirements by performing a “good faith effort” (GFE).**

This solicitation does not include a minimum DVBE participation percentage or goal.

DVBE BID INCENTIVE - A DVBE incentive will be given to bidders who provide DVBE participation. For evaluation purposes only, the State shall apply a DVBE Bid incentive to bids that propose California certified DVBE participation as identified on the Bidder Declaration, GSPD-05-105, (located elsewhere within the solicitation document) and confirmed by the State. The DVBE incentive amount for awards based on low price will vary in conjunction with the percentage of DVBE participation. Unless a table that replaces the one below has been expressly established elsewhere within the solicitation, the following percentages will apply for awards based on low price.

Confirmed DVBE Participation of:	DVBE Incentive:
5% or Over	5%
4% to 4.99% inclusive	4%
3% to 3.99% inclusive	3%
2% to 2.99% inclusive	2%
1% to 1.99% inclusive	1%

As applicable: (1) Awards based on low price - the net bid price of responsive bids will be reduced (for evaluation purposes only) by the amount of DVBE incentive as applied to the lowest responsive net bid price. If the #1 ranked responsive, responsible bid is a California certified small business, the only bidders eligible for the incentive will be California certified small businesses. The incentive adjustment for awards based on low price cannot exceed 5% or \$100,000, whichever is less, of the #1 ranked net bid price. When used in combination with a preference adjustment, the cumulative adjustment amount cannot exceed \$100,000.

(2) Awards based on highest score - the solicitation shall include an individual requirement that identifies incentive points for DVBE participation.

INTRODUCTION -Bidders must document DVBE participation commitment by completing and submitting a Bidder Declaration, GSPD-05-105, (located elsewhere within the solicitation document).

Bids or proposals (hereafter called “bids”) that **fail to submit the required form to confirm the level of DVBE participation will not be eligible to receive the DVBE incentive.** Information submitted by the intended awardee to claim the DVBE incentive(s) will be verified by the State. If evidence of an alleged violation is found during the verification process, the State shall initiate an investigation, in accordance with the requirements of the PCC §10115, et seq., and MVC §999 et seq., and follow the investigatory procedures required by the 2 CCR §1896.80. Contractors found to be in violation of certain provisions may be subject to loss of certification, penalties and/or contract termination.

Only State of California, Office of Small Business and DVBE Services (OSDS), certified DVBEs (hereafter called “DVBE”) who perform a commercially useful function relevant to this solicitation, may be used to qualify for a DVBE incentive(s). The criteria and definition for performing a commercially useful function are contained herein on the page entitled **Resources & Information**. Bidders are to verify each DVBE subcontractor’s certification with OSDS to ensure DVBE eligibility.

At the State’s option prior to award of the contract, a written confirmation from each DVBE subcontractor identified on the Bidder Declaration must be provided. As directed by the State, the written confirmation must be signed by the bidder and/or the DVBE subcontractor(s). The written confirmation may request information that includes but is not limited to the DVBE scope of work, work to be performed by the DVBE, term of intended subcontract with the DVBE, anticipated dates the DVBE will perform required work, rate and conditions of payment, and total amount to be paid to the DVBE. If further verification is necessary, the State will obtain additional information to verify compliance with the above requirements.

THE DVBE BUSINESS UTILIZATION PLAN (BUP): DVBE BUPs are a company’s commitment to expend a minimum of 3% of its total statewide contract dollars with DVBEs -- this percentage is based on all of its contracts held in California, not just those with the State. A DVBE BUP does not qualify a firm for a DVBE incentive. Bidders with a BUP, must submit a Bidders Declaration (GSPD-05-105) to confirm the DVBE participation for an element of work on this solicitation in order to claim a DVBE incentive(s).

THE FOLLOWING MAY BE USED TO LOCATE DVBE SUPPLIERS:

Awarding Department: Contact the department’s contracting official named in this solicitation for any DVBE suppliers who may have identified themselves as potential subcontractors, and to obtain suggestions for search criteria to possibly identify DVBE suppliers for the solicitation. Commercially Useful Function Definition

California Code of Regulations, Title 2, § 1896.61(l):

The term "DVBE contractor, subcontractor or supplier" means any person or entity that satisfies the ownership (or management) and control requirements of §1896.61(f); is certified in accordance with §1896.70; and provides services or goods that contribute to the fulfillment of the contract requirements by performing a commercially useful function.

As defined in MVC §999, a person or an entity is deemed to perform a "commercially useful function" if a person or entity does **all** of the following:

- Is responsible for the execution of a distinct element of the work of the contract.
- Carries out the obligation by actually performing, managing, or supervising the work involved.
- Performs work that is normal for its business services and functions.
- Is not further subcontracting a portion of the work that is greater than that expected to be subcontracted by normal industry practices.

A contractor, subcontractor, or supplier will not be considered to perform a commercially useful function if the contractor's, subcontractor's, or supplier's role is limited to that of an extra participant in a transaction, contract, or project through which funds are passed in order to obtain the appearance of disabled veteran business enterprise participation.
