

Hello,

Senator Steinberg's Investment in Mental Health Wellness proposal (\$206.2 million) will be heard in the Senate Budget and Fiscal Review Committee on Friday, May 24th (this Friday) starting at 9:30 AM, or upon adjournment of Senate Session.

Public testimony will be taken at the hearing. The Agenda will be available on Thursday through the Senate Budget & Fiscal Review Committee's website, or in person at their office (Room 5013), or at the hearing on Friday. Please note that this issue will be listed under Item 0950 State Treasurer's Office.

It is listed under Item 0950 State Treasurer's Office since a significant amount of the funds will be for grants to build capacity for Crisis Residential, Crisis Stabilization, Mobile Crisis Teams.

Further, additional funds will be used for 600 Triage Personnel, Peer Support training, and the development of consensus guidelines for involuntary commitment care under Section 5150.

Your valuable support of Senator Steinberg's proposal is needed and would be most welcomed.

Thank you.
